**PART A**

**READING COMPREHENSION (10 points)**

**A. Read the text and answer the following questions.**

**( 3 x 2,5 = 7.5 )**

Dear Mike,

It's Wednesday, 14.30 and I'm in the library. I'm waiting for Silou, an Indonesian friend. You know, I speak English with her all day. Our teacher, Lyn, says we must try to do everything in English.

I'm staying in a small room but it's cosy. In the mornings, we have lessons from 9.00 to 12.30. The food is tasty but not really healthy. Thank God, there are many different salads! I eat lots of them.

After lunch, we leave on excursions to Windsor or to London or we play sports and games on campus. Our teachers are always with us (is that good?). In the evenings, we organise parties. I think it's karaoke night tonight. I love this place! It's full of surprises.

Got to go now. Silou's here and we must find some information about the Tower of London. Are you having a good time? Sure you can't come to London just for a day?

Write soon,  
Magda
